| HINDI   | <ul style="list-style-type: none"> <li>हिंदी की वर्णमाला कंठस्थ करें और 20 शब्द अभ्यास पुस्तिका में लिखें।</li> <li>कोई भी मनपसंद कविता कंठस्थ करें। जिसे कक्षा में सुनाने पर नंबर दिए जाएँगे जो इकाई परीक्षा में जुड़ेंगे।</li> <li>हिंदी के प्रसिद्ध कवि गाँधी विचारक 'भवानी प्रसाद मिश्र' जी का A4 साइज शीट पर चित्र चिपकाकर उनकी जीवनी लिखें।<br/>अनुक्रमांक (1-12)</li> <li>हिंदी के प्रसिद्ध कवि 'केदारनाथ अग्रवाल' जी का A4 साइज शीट पर चित्र चिपकाकर उनकी मुख्य रचनाओं के बारे में लिखिए।<br/>अनुक्रमांक (13 से 24)</li> <li>हिंदी की जानी मानी लेखिका 'कृष्णा सोबती' का A4 साइज शीट पर चित्र चिपकाएँ व जानकारी एकत्रित करके लिखें।<br/>अनुक्रमांक (24 - 35)</li> </ul> |
| MATHS   | <p><b>Model of Factor Tree using Ice-Cream sticks (Roll no-1 to 15)</b></p> <p><b>LCM and HCF using Number line (Roll no-16 to 36)</b></p> <p><b>Do the marked Exemplar questions.</b></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

## **1. POWER POINT PRESENTATION**

### **TOPICS:**

**Roll no. 1-11: Choose any one object (for example table) which can be made from different types of materials and write their uses and properties.**

**Roll no. 12-23: Choose any one material (for example wood) from which different types of objects can be made and write their uses and properties.**

**Roll no. 24-35: Choose any one method of separation (for example winnowing) of substances and write their uses and properties.**

### **Guidelines for the PPT:**

**The presentation should be for 10-15 slides.**

- **Slide two- Index (By using Table).**
- **Slide three- Introduction of your topic (By using different types of font).**
- **Slide four to nine - Content (all pictures should have proper animation and each slide should have different types of background colour).**
- **Last slide – Acknowledgement (It's a must).**

## **2. PROJECT WORK (Do any one)**

**(A) 'PREPARE A HERBARIUM' Collect the leaves of any ten plants, dry them in the folds of a newspaper, paste them in a scrap file and also write names of the plants they belong to.**

**GROW A PLANT IN THE FIRST WEEK OF HOLIDAYS, CLICK A PICK AND THEN ON THE LAST DAY OF YOUR SUMMER BREAK. NOTICE THE GROWTH PERIOD OF THE PLANT.**

**(B) Prepare a balanced DIET CHART for yourself, laminate it beautifully and put it up on your study table. Share the benefits of a balanced diet with your class.**

**WATCH THE MOVIE ' MISSION MANGAL' OR ROCKETRY'**

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
